

## **Public Meeting June 17<sup>th</sup> June 2010**

On behalf of the IGVRA committee, I would like to express our thanks for the wonderful turnout of Residents on a hot, sticky evening. We tried to put over what we had been working on, what we need to do in the future and how we need your help. A copy of the presentations delivered on the night can be found on our website at [www.ingolgolfvillage.org.uk](http://www.ingolgolfvillage.org.uk)

The generosity of your donations, your comments and praise received on the night were truly outstanding and overwhelming.

### **IGVRA Bat Walk:**

Through our Ecology group leader, Vicki Roberts, we have secured the services of an expert from the Bat Conservation Society, who has agreed to lead a "Bat Walk" on Friday 30<sup>th</sup> July, from 8pm to 10pm. We have chosen Friday, so that the late night will not interfere with schooling etc.

As the event will be held in the late evening, please be prepared with suitably warm and weatherproof clothing and shoes, and that you bring a torch.

Unfortunately, we cannot accept unaccompanied children (under 16) on the walk, and we recommended that there should be a maximum of two children per responsible adult for walk.

The walk is free, but we are asking for donations for the event. As places are limited, booking is recommended via the IGVRA e-mail at [igvra@tiscali.co.uk](mailto:igvra@tiscali.co.uk) or by telephone to 01772 722739.

### **Funding:**

At the public meeting in June, the topic of raising a substantial figure was discussed with the aim to secure the services of a Planning Consultant for when a planning application is submitted. Very shortly, we will be informing you all as to how and where you can donate. Please pass on this information to your neighbours and friends.
