The University's Bicycle User Group (BUG) has lots of information on cycling including shower and locker locations, information on free cycle training and guidance on bike security and safety. You can access the resources and become a member of BUG at www.uclan.ac.uk/bug

Car Parking

University car parks require a University permit. Students will need to meet qualifying criteria to be eligible for a permit (e.g. if you have a disability, or your commuting time is greater than 90 minutes).

Official visitors can request a pre-booked space on Foster car park which needs to be arranged in advance (48 hours) by the member of staff they are visiting. Visitor spaces are limited and space is allocated on a priority basis.

Applicants attending a School Open Day (week-day events) or Interview Day should refer to paper work provided by the School.

A limited number of short stay (maximum 3 hours) Pay and Display facilities are available on Harrington car park (£1/hour).
